

QUICK START GUIDE

**Aluminium 3-in-1 Qi MFi Wireless
+ Apple Watch + QC 3.0 Charger
WCS-02**

Description

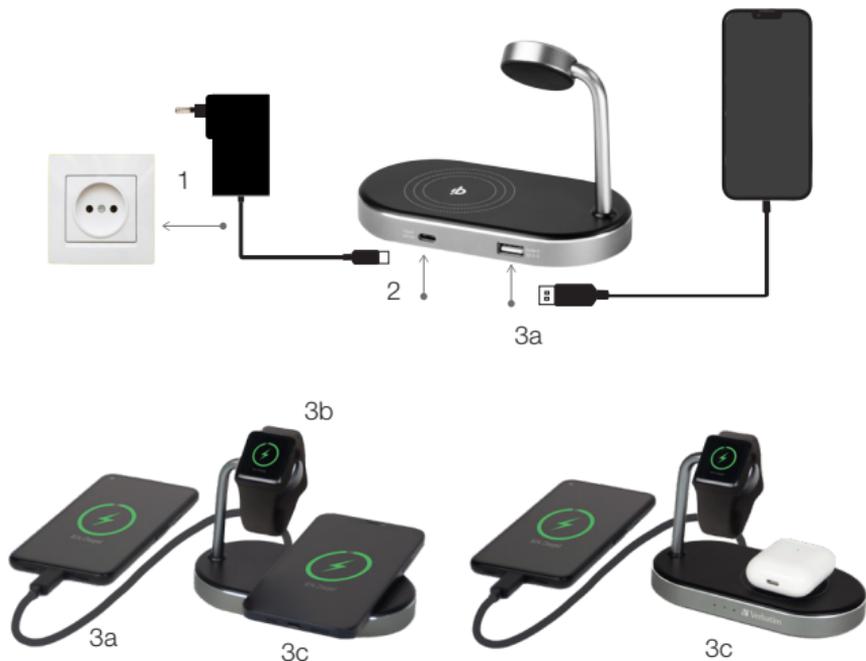

1. Magnetic charging module for Apple Watch
2. Wireless charging area
3. LED indicator:

- Green LED = power indicator
- Blue LED = charging completed indicator
- Red LED = charging indicator
- Red LED flashing for foreign object detection or error notice

4. USB-C power supply port
5. USB-A Quick Charge 3.0 port

How it works

Please note: Watch, Phone, AirPods and USB charging cable are not included.

1. Please plug the power adapter into the socket of your power source.
2. Then put the USB-C cable end into the USB-C port of the charger.
- 3a. To use quick charge please connect a USB-A 3.0 cable (not included). Please insert the USB-A cable into the port of the charger, with the other end of the cable you can connect any other device.
- 3b. By setting an Apple Watch onto the magnetic charging module, it will start charging.
- 3c. Place Qi-enabled mobile phones or earphones such as AirPods or Earbuds with a wireless charging case onto the wireless charging area to start charging.

Features

- MFi certified
- Qi certified
- 3-in-1: Charge three devices at once
- Fast wireless charging
- Output power up to 44W *
- USB-A Quick Charge 3.0
- Aluminium housing

How to install the plug of the power adapter

Specifications

Apple Watch
magnetic charging:

Compatible with all Apple Watch series including 7, 8 and Ultra
5V/1A for Apple Watch
Output Apple Watch charger 5W
Supports over-current protection
Supports over-voltage protection

Wireless charger:

Output wireless charger 15W max.:
5W (Qi certified)/7.5W/10W/15W max.
Fast charge output: 9V/1.66A
Transmission distance: ≤ 8 mm
Conversion rate: $\geq 72\%$
Supports over-current protection
Supports over-voltage protection
Auto-detects presence and removal of objects
Foreign object detection

USB-A Quick Charge 3.0 port:

12V/2.0A 24W max.
Supports over-current protection

Apple Watch + Wireless charger + QC 3.0:	Supports over-voltage protection * Output up to 44W total power: Apple Watch charger 5W, Wireless charging: 5W (Qi certified)/7.5W/10W/15W max., Quick Charge 3.0 up to 24W
Power Input Supply:	15V/3A 45W
Physical specifications:	
Dimensions:	Main body: 140mm (L) x 76mm (W) x 102mm (H)
Cable length:	1.5m
Product weight:	213.5g
Product material:	ABS+Aluminium
Environmental conditions:	
Temperature:	Operating temperature: 0°C to 40°C Storage temperature: -20°C to 80°C
Humidity:	Operating humidity: 10% to 70% RH Storage humidity: 10% to 80% RH

Safety Instructions

Wipe with a soft cloth. Do not use solvents such as petrol or alcohol.

Power adapter: Intended for indoor use, avoid exposure to heat, dust, water or damp conditions. If the adapter is moved from a cold to warm environment condensation may form on its surface and internal cavities. Should this happen allow to fully dry before using.

Do not obstruct ventilation. Do not operate the adapter inside a closed box or cabinet, please make sure there is 10cm (3 inches) around for a well-ventilated space.

Energy consumption: When the charger is in standby mode, it is still connected to the power supply, so it is still consuming electricity. Please cut off the power adapter from the socket and pull the USB-C cable out of the charger.

Verbatim Limited Warranty Terms

Verbatim GmbH warrants this product to be free from defects in material and workmanship for a period of 2 years from date of purchase. This warranty excludes batteries. If this product is found to be defective within the warranty period, it will be replaced at no cost to you. You may return it with your original cash register receipt to the place of purchase or contact Verbatim.

Product replacement is your sole remedy under this warranty, and this warranty does not apply to normal wear or to damage resulting from abnormal use, misuse, abuse, neglect or accident, or to any incompatibility or poor performance due to the specific computer software or hardware used.

VERBATIM WILL NOT BE LIABLE FOR DATA LOSS OR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, HOWEVER CAUSED, FOR BREACH OF WARRANTIES OR OTHERWISE.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state or country to country.

Note

Verbatim GmbH may at any time revise the content of this user guide without further notice.

RoHS Compliance

This product is in compliance with Directives 2011/65/EU and 2015/683 of the European Parliament and of the Council of 18th December 2006, on the restriction of the use of hazardous substances in electrical and electronic equipment (RoHS) and its amendments. Substances of Very High Concern (SVHC) including 224 substances contained in Candidate List of June 10th 2022 are not present in this product range above permitted levels.

WEEE Notice

The Directive on Waste Electrical and Electronic Equipment (WEEE), which entered into force as European law on 13th February 2003, resulted in a major change in the treatment of electrical equipment at end-of-life. The WEEE logo (shown at the left) on the product or on its box indicates that this product must not be disposed of or dumped with your other household waste.

 For more information about electronic and electrical waste equipment disposal, recovery, and collection points, please contact your local municipal household waste disposal service or shop from where you purchased the equipment.

Triman (Only for France)

 The Product and packaging materials are recyclable, dispose of it separately for better waste treatment. The Triman logo is valid in France only.
